

NSW Water Safety Awards in conjunction with the AUSTSWIM NSW Awards of Excellence

The NSW Water Safety Awards in conjunction with the AUSTSWIM NSW Awards of Excellence are a great way to recognise the achievements of others within the aquatic industry.

The evening provides a wonderful opportunity to relax and socialise during a sumptuous dinner, be swept away by the grandeur and excitement of the awards and be thoroughly entertained.

It is with great pleasure and honour that recently retired Olympic Gold and Silver Medallist Brooke Hanson will be on hand as Master of Ceremonies. Representing Australia over 20 times at major international championships, Brooke claimed several podium finishes along the way including the 2004 World Short Course Championships where she made history, winning a record six gold medals including five individual gold medals.

Brooke amassed seven Australian long course titles, 18 Australian short course titles and eight World short course titles during her career.
